Rosseti has begun removing "excess" equipment from regional operators

Over 30 internet providers from the Central, Northwestern, Southern, North Caucasian, Siberian, and Far Eastern Federal Districts have been confronted with the fact that Rosseti's regional divisions have begun dismantling the operators' equipment from their poles without permission since February. Dmitry Galushko, President of the Association of Small Telecom Operators of the Regions, told Vedomosti, and representatives of several regional providers confirmed this.
