<p>2.1. Brief description of the event (action), the occurrence (accomplishment) of which, in the opinion of the issuer, affects the value or quotations of its securities:</p> <p>Rosseti Centre, PJSC published its audited Consolidated Financial Statements for the year ended 31 December 2022 prepared in accordance with International Financial Reporting Standards (IFRS).</p> <p>Profit for the period is RUB 4.9 bln, which is RUB 0.5 bln higher than the value last year. The increase relative to 2021 is 11.4 %. The main factor of the profit growth based on the results of 2022 is increase in revenue from the provision of electricity transmission services.</p> <p>Revenue for the reporting period increased by 6.0 % relative to the revenue based on the results of 2021 and amounted to RUB 114.6 bln. The main factor that influenced the growth in the consolidated revenue is an increase in revenue from electricity transmission due to growth in boiler tariffs.</p> <p>Operating expenses of the Group of Companies based on the results of 2022 amounted to RUB 104.5 bln, which is 7.0 % higher than the value for 2021. The growth of the operating expenses was mainly caused by an increase in electricity costs to compensate for technological losses due to the consolidation of power grid assets in the 4th quarter of 2021, inflationary rise in prices and a significant increase in the volume of non-regulated services compared to the same period last year.</p> <p>EBITDA based on the results of 2022 was RUB 24.7 bln, which is 7.4 % higher than the value for 2021. The main driver of the EBITDA growth is the increase in the revenue from the provision of electricity transmission services.</p> <p>The financial condition of the Group of Companies based on the results of 2022 is characterized as stable.</p>
