ELECTRIC POWER INDUSTRY NEWS

The Government instructed to work out the sale of electricity back to the grid through electric charging stations

The Russian Government has ordered the preparation of a set of regulatory measures to allow the sale of electricity back to the electrical grid, including through electric charging stations. Such an event is provided for in the implementation plan for the Energy Strategy until 2050, approved by Order No. 3170-r dated 31 October.

COMPANY NEWS

Tverenergo's power engineers help schoolchildren decide on their future profession

The branch of Rosseti Centre - Tverenergo continues to conduct career guidance events for schoolchildren, helping them become familiar with operation of electric grid facilities and learn about in-demand technical specialties. The next meeting took place at the base of the Bezhetsky Distribution Zone, where students of the 9th grade of secondary school No. 5 named after L.N. Gumilev of the city of Bezhetsk visited.
