#### Rosseti took part in a seminar on tariff regulation organized by the FAS Russia

Representatives of the company took part in the All-Russian tariff seminar, which took place in Sochi. The program included 20 business events. Important topics of discussion were the issues of differentiation of electricity tariffs for the population, as well as improving the regulation of the activities of territorial grid organizations (TGOs). Now, in a number of constituent entities of the Russian Federation, there are significant excesses of specific operating costs per unit of equipment of medium and small TGOs over the indicator for the largest TGO in the region, which creates a tariff imbalance.
