

## ELECTRIC POWER INDUSTRY NEWS

### The Government approved amendments to the regulatory legal acts related to the activities of TGOs and services for managing changes in the consumption mode on the WECM

The Government of the Russian Federation, by Resolution No. 129 of 10.02.2025, approved amendments to the legislation related to pricing in the electric power industry on the Wholesale Electricity and Capacity Market (WECM) and the activities of territorial grid organizations (TGOs). The document was published on the Official Portal of Legal Information. In particular, the resolution amends the Pricing Fundamentals in the Field of Regulated Tariffs in the Electric Power Industry.

### Development of the regional electric grid complex was discussed in Voronezh

Voronezh Region Governor Alexander Gusev held a working meeting with Boris Ebzeev, General Director of Rosseti Centre - managing organization of Rosseti Centre and Volga region, where key issues of the development of the region's electric grid complex were discussed. The parties assessed the operational situation and the passage of the Voronezhenergo branch through the peak load season. Full implementation of equipment maintenance and repair measures allowed the branch to reduce the number of technological violations in 6-110 kV grids from November to January by 15% compared to last year.
