

ELECTRIC POWER INDUSTRY NEWS

The inclusion of tourist routes for fuel and energy facilities is a unique opportunity to get to know the industry "from the inside"

The Ministry of Energy of Russia took the initiative to include visits to the fuel and energy complex (FEC) in the routes of the "More than a Journey" program, according to which the finalists and active participants in the competitions of the Presidential Platform "Russia – the Land of Opportunities" and the Russian Society "Knowledge" are encouraged by awards in the form of developing trips in Russia.
