### The Duma announced that it had achieved a change in the ranges of electricity tariffs for citizens

The head of the State Duma Committee on Energy, Nikolai Shulginov, reported at a plenary session on decisions to eliminate the negative consequences of establishing differentiated tariffs for electricity, the chamber's website reports.

The speaker of the State Duma, Vyacheslav Volodin, gave Shulginov this order in connection with numerous complaints about unreasonably increased fees.

After working with the Ministry of Energy and the FAS, Shulginov reported that the government resolution adopted as a result of interaction with deputies will remove the unjustified burden on bona fide consumers.
