The State Duma approved in the 1st reading a bill providing for the reimbursement of part of the excess costs of TGOs for 2022-2023

The State Duma adopted in the first reading a government bill allowing electric grid companies to reimburse economically justified excess costs for connection to grids in 2022 and 2023.

Currently, tariffs for the services of electric grid companies and fees for connection to grids are set by the state. The bill allows to compensate territorial grid organizations (TGOs) for economically justified expenses for grid connection for the period from 1 January 2022 to 31 December 2023, exceeding the established fee for this service.
