COMPANY NEWS

Rosseti Centre increased the automation of distribution networks in the Rybinsky district of the Yaroslavl region

As part of the project to increase the automation and observability of 6-10 kV distribution networks, Yarenergo's specialists installed elements of the automation system in the Rybinsky Distribution Zone. On 11 long power transmission lines, the power engineers installed 14 reclosers, improving the reliability and quality of power supply in almost 200 settlements with a population of more than 7 thousand people.

Kalugaenergo's employees held an electrical safety lesson for children of the Yukhnovsky kindergarten

Children of the Radost kindergarten were told about the basic rules of electrical safety and the meaning of warning signs installed on electrical equipment. Specialists from the Yukhnovsky Distribution Zone demonstrated first aid techniques for victims of electric shock, and at the end of the lesson, the power engineers presented the children with themed colouring books and sweet gifts.
