Since the beginning of the year Udmurtenergo connected 30 socially significant facilities to the company's electric grids

The branch of Rosseti Centre and Volga region - Udmurtenergo actively interacts with state authorities and local governments in the field of implementation of republican target programs. In particular, within the framework of the federal program "Development of Education", kindergartens in the village of Sosnovka in the Sharkansky district, the village of Staraya Igra in the Grakhovsky district and two preschool institutions in the city of Izhevsk were connected to the company's grids.
