

ELECTRIC POWER INDUSTRY NEWS

Nikolai Shulginov discussed with representatives of the "Council of Energy Veterans" topical issues of development of the electric power industry

Nikolai Shulginov, on the eve of the Power Engineer's Day, met with veterans of the power industry. The minister noted the significant contribution of the veteran community to the development of the Russian electric power industry.

The electric power industry is one of the most dynamic and interesting industries. I want to thank you for your dedication to the profession, I wish you success in our activities, given the scale of the tasks that are now facing the Russian economy," the head of the Ministry of Energy stressed.
