Rosseti to construct a 110 kV substation to stimulate development of Izhevsk suburban area

In Udmurtia, construction of a key 110 kV power hub called Ludorvay has begun. The implementation of this project, estimated at more than RUB 213 million, is under the supervision of Rosseti Centre and Volga region, the company's press service reports. This energy facility will significantly improve the power supply to settlements located southwest of Izhevsk, and will also provide electricity to residential complexes under construction.
