

ELECTRIC POWER INDUSTRY NEWS

The FAS prepared a draft procedure for making decisions on distributing required gross revenue among grid organizations in the event of repeated failure to comply with the service's orders

The draft resolution submitted by the FAS establishes the procedure for making decisions on distributing required gross revenue (RGR) among grid organizations in the event of repeated failure to comply with a decision (order) (decision on RGR distribution) of the FAS. The draft resolution provides for enforcement of the RGR distribution decision as the basis for revising long-term regulatory parameters and regulated prices (tariffs) during the regulatory period in the electricity sector.
