Electricity grids will be required to attach a detailed calculation of the amount of the fee for grid connection to the contract

The Government of the Russian Federation, by Resolution No. 1554 of 14.11.2024, obliged grid organizations to attach a detailed calculation of the amount of the fee for grid connection to the contract. The document regulating the rules for connection to electric grids was published on the Official Internet Portal of Legal Information. "It will reflect the cost of each event required for connection, in accordance with the standardized rates of the subject," the Cabinet of Ministers said in a statement.

A donor day at Nizhnovenergo: every employee could become a real hero!

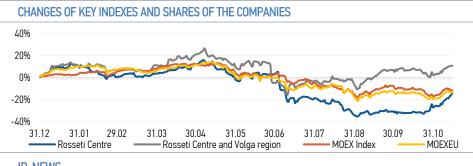

Power engineers of the Nizhnovenergo branch of Rosseti Centre and Volga region, PJSC once again demonstrated their social responsibility by taking part in the Donor Day. This year, 41 employees donated 20 litres of blood, two of whom became plasma donors. The participants of the event were both experienced donors and newcomers ready to contribute to the common cause. Before the donation, doctors conducted a thorough medical examination: they measured blood pressure, pulse, temperature and body weight.

A new art object appeared at a Nizhnovenergo's transformer substation

In Nizhny Novgorod, at one of the transformer substations, activists presented a new art object with the symbolic phrase "In unity is the strength of Russia!". It is dedicated to the participants of the special military operation who courageously fight for a peaceful sky above their heads. This project became part of the Social Graffiti initiative, organized by the regional branch of the All-Russian public movement Volunteers of Victory with the support of the Nizhny Novgorod administration, the government of the Nizhny Novgorod region and the branch of Rosseti Centre and Volga region, PJSC – Nizhnovenergo.
