The State Duma Committee on Energy proposed recognizing power equipment as movable property

The State Duma Committee on Energy proposed to legislatively clarify facilities that are subject to property tax, stipulating that they do not include energy equipment. This is stated in the committee's conclusion on a package of bills that includes amendments to the Tax Code (Tax Code of the Russian Federation). In conclusion, it is noted that at present, for the energy industry, "serious uncertainty" is the definition of movable and immovable property when paying the corresponding tax.

Belgorodenergo launched a chatbot to transmit electricity meter readings

The service will help residents of border areas where access can be difficult. It has now become easier to transmit current readings from the electricity meter to the branch of Rosseti Centre - Belgorodenergo. To do this, just follow the link @belgorodenergo31_bot, indicate the area and locality, and the last digits of the meter serial number. The service is designed to help residents of the region and power engineers in complying with the law - RF Government Resolution dated 06.05.2011 № 354 (as amended on 18.03.2024).
