

### ELECTRIC POWER INDUSTRY NEWS

#### Requirements for energy sales companies in terms of financial discipline on the wholesale energy market have been approved

The Government of the Russian Federation approved a resolution on the financial discipline of subjects of the wholesale electricity and capacity market (WECM) - suppliers of last resort and energy sales organizations. The document (dated 17 April 2024 No. 486) was published on the Official Internet Portal of Legal Information. The document establishes requirements for energy sales organizations in the wholesale electricity and capacity market to comply with financial discipline indicators, including the level of payments for electricity transmission services provided by grid companies.

#### Marienergo's employees conducted a tour for high school students

Schoolchildren of the Medvedevskaya Gymnasium named after Khoroshaev went on a tour to Marienergo and became acquainted with the power engineering profession. The young people got a unique opportunity to watch the work of operators at the Grid Control Centre and see how the specialists remotely monitor the operation of the republic's power grid facilities. In addition, the schoolchildren visited a classroom where representatives of the Youth Council conducted a lesson on electrical safety.
