#### The Ryazanenergo branch completed the repair of the contact trolleybus network

Power engineers carried out comprehensive repair of the contact trolleybus network in the regional centre, reports the Informationbureau telegram channel. The work took place on the main streets of Ryazan - Lenin, Sobornaya, Mayakovsky, Dzerzhinsky, Tsiolkovsky, as well as on Teatralnaya Square and Pervomaisky Avenue. The central part of the city was not chosen by the customer by chance - it was there that the wear of the contact network turned out to be the most serious. The main work on road sections was carried out at night to avoid inconvenience for the movement of citizens on public transport.
