#### Energy Strategy-2050 to be finalized in two months

Another two months are planned to be spent on developing the Energy Strategy of the Russian Federation until 2050, after which the document will be submitted to the government. This was announced by the head of the Ministry of Energy of the Russian Federation, Sergei Tsivilev. Talking to journalists, the head of the energy department said that the preparation of the document will take about two more months, while he specified that the approaches have already been worked out and "tested" at the Far Eastern Economic Forum (FEEF).
